RE: END OF SECOND TERM 2019

The school has closed for second term holiday, partially with S.1, S.2, S3, and S.5 today 16th/8/2019. Senior four will leave on 23rd August after completing their mock, while senior Six will leave in three different groups depending on how they will complete their mocks. The first group will leave school on Saturday 24th August, the second group on Monday 19th, third group on Wednesday 21st, and the last group on Friday 23rd August 2019. On behalf of the administration, staff and all students of Kigumba Intensive SS, I wish to convey our greetings to you and your family. We thank you for the financial, emotional and material support you accorded to our students during the course of the term. We also give glory to God who kept us all alive and enabled us to sail through the second term successfully. I wish to inform you of the following: -

Beginning of term III 2019:

We shall open for third term officially on 9th September for all classes, students are advised to begin reporting on the weekend of 7th and 8th, in all cases before 5pm, so that lessons start on Monday 9th September without fail.

Academics:

Teaching and evaluation were done during the course of the term. Coverage of the syllabi has been fair. Senior one, two, three and five did one set of examination and a test.

This time S.1, S.2, S.3 and S.5 have **not** been given Report-Cards, ***you will receive an SMS alert through your phone showing the performance of your child on 23rd August 2019***, Report-card will be ready for picking on the same day. Parents who shall not be in a position to pick report cards of their children on this day, can pick at the beginning of third term.

S.4s and S.6s will carry home Report-cards showing their performance in Pre-mock exams. Read through the report card, discuss the results with the student and advise. While mock results are expected to be out by mid-September 2019,

School fees:

A great number of parents were able to clear fees for their children this term. We are very grateful for your efforts towards fulfilling this obligation though it has not been easy for this term. Those who did not clear, should endeavor to do so during holidays. Fees payable next term shall be as follows:

Visitation Day:

Next term's visitation day is scheduled for 26th /October/ 2019. You are encouraged to come and visit your child, talk to the teachers and see their general progress in the school. You will also be required to clear all the outstanding fees on that day.

Vocational projects:

We are very much grateful to the entrepreneurship department for this development. This term student of senior one and two participated in making of reusable sanitary pads, paper envelopes, and liquid soap, while Senior Fives were involved in the production of counter books and paper envelopes. We hope to continue with this program in the coming term as well.

Study and exposure tours

- Several tours are planned to take place next term. Senior two and five entrepreneurship class will have a tour to Lugogo show grounds to acquaint themselves with entrepreneurship skills.
- Senior five geography class will have a study tour to Jinja.
- Senior six geography class will also have another optional study tour to Murchision falls.
- Senior three class will also have geography study tour to Entebbe.
- Kiswahili study and exposure tour is also scheduled for third term but optional for interested students only.

As a result, they have carried a separate request letter for facilitation and transport. The other tours will be mainly academic and will affect senior three and five.

Discipline:

The discipline of students has been good. Those who breached school rules in one way or the other were dealt with accordingly. Five students were dismissed over indiscipline related cases. We thank parents who co-operated with us in disciplining wrong doers. May you keep up the spirit.

Uniform:

The school has provided all students with class and dormitory uniforms. We have observed increased attempts at modifying uniform by some students. The uniform and smartness committee did an incredibly good job this term in ending this vice. We continue to warn students against this practice and those caught in this vice will be compelled to buy new uniforms.

Health:

There has been serious cases of malaria this term that were internally managed by the school nurse. We continue to register a number of cases of unreported chronic illnesses. You are encouraged to take children for medical checkup before they return to school.

We wish you and your family a fruitful holiday.

RE: END OF SECOND TERM 2018

The school has closed for second term holiday, partially with S.1 and S.2, today 18th/8/2018. Senior three to Six will break off on 24th/08/2018. On behalf of the administration, staff and all students of Kigumba Intensive SS, I wish to convey our greetings to you and your family. We thank you for the financial, emotional and material support you accorded to our students during the course of the term. We also give glory to God who kept us all alive and enabled us to sail through the second term successfully. I wish to inform you of the following:-

Beginning of term III 2018:

Senior Four and Six should report back on 9th/09/2018 without fail. The rest of the classes shall report to school on 17th September, 2018, in all cases before 5pm.

Academics:

Teaching and evaluation were done during the course of the term. Coverage of the syllabi has been fair. Senior one, two and three did one set of examination and a test. Average performance has been reported in senior one while senior two class has remarkably declined. The general performance of S.3 and S5 will be determined at the closure of their term as teachers are still marking. Your child should present to

you a report card that shows his/her achievement. Read through the report card, discuss the results with the student and advise.

Some students have persistently performed poorly and have been advised to come with parents on Friday 14th/09/2018.

School fees:

A great number of parents were able to clear fees for their children this term. We are very grateful for your efforts towards fulfilling this obligation. Those who did not clear, should endeavor to do so during holidays. Fees payable next term shall be as follows:

- **Senior one;** Boarders 596,000= and Day Scholars 347,000=
- **Senior two;** Boarders 596,000= and Day scholars 347,000=

Please take note of the following instalments:

- **Senior one and two** boarders; first instalment 396,000 and second 200,000=. Day Scholars; 247,000=first and 100,000= second.

We apologize for the inconveniences you might have experienced this term in paying fees. Our bankers have introduced an out of counter banking platform called Agency Banking, and it took them time to migrate students, paying through agents, to reflect on flexi pay system. As a result a student would pay money using flexi pay to an agent but the money would take some time to reflect on the flexi pay system. We have since raised the matter with them and they have promised us it will be rectified. We encourage you to always keep the banking slips you obtain from agents for further reference in case need arises.

We would also like to request you to enroll for internet banking with your banks. This will enable you make direct fees transfers from your bank accounts to the school account than having to first withdraw the money or use mobile money. Those already enrolled on stanbic internet banking, on your phone, type ***290#, enter mobile banking PIN, go to payments, pay fees, flexipay, choose your account, enter school code (KINT) and enter the students number, etc.** Follow the prompts until the transaction is completed. Remember mobile money usage has, with the new taxes, become very expensive.

Visitation Day:

Next term's visitation day is scheduled for 27th /October/ 2018. You are encouraged to come and visit your child, talk to the teachers and see their general progress in the school. You will also be required to clear all the outstanding fees on that day.

Vocational projects:

We are very much grateful to the entrepreneurship department for this development. This term students of senior one and two participated in making of bags and belts. Senior Fives were involved in the production of counter books and juice making. We hope to continue with this program in the coming term as well.

Tours

Several tours are planned to take place next term. Senior two class will have a tour to Lugogo show grounds to acquaint themselves with entrepreneurship skills. As a result they have carried a separate request letter for facilitation and transport. The other tours will be mainly academic and will affect senior three and five.

Discipline:

The discipline of students has been good. Those who breached school rules in one way or the other were dealt with accordingly. Diversion and misuse of fees by students is becoming a serious problem. Four students were dismissed over

indiscipline related cases. We thank parents who co-operated with us in disciplining wrong doers. May you keep up the spirit.

Uniform:

The school has provided all students with class and dormitory uniforms. We have observed increased attempts at modifying uniform by some students. The uniform and smartness committee did an incredibly good job this term in ending this vice. We continue to warn students against this practice and those caught in this vice will be compelled to buy new uniforms.

Health:

The health of students has been generally good throughout the term. There were usual cases of flu, malaria and cough that were internally managed by the school nurse. We continue to register a number of cases of unreported chronic illnesses. You are encouraged to take children for medical checkup before they return to school.

We wish you and your family a fruitful holiday.
